Mantra & Remora Combonation Packs

Manta weighs <1kg (2.2lbs)

Huge 115 litre capacity

Waterproof welded seams

Versatile travel system

Hard-wearing

The Remora is a versatile bag developed as a companion to the Manta or for use on its own. The two large volume compartments have a surprising capacity and it conforms to carry on luggage size requirements. Its primary function is to carry your personal gear – clothing etc, and it is designed to fit inside the Manta for transit.
